# Marysville School Song

When the sun is shining bright  
And the birds are singing sweet  
We will sing our school song  
With a heart as true as gold  
And a voice as clear as bell  
For we love our school so well

And when the sun is shining bright  
And the birds are singing sweet  
We will sing our school song  
With a heart as true as gold  
And a voice as clear as bell  
For we love our school so well

When the sun is shining bright  
And the birds are singing sweet  
We will sing our school song  
With a heart as true as gold  
And a voice as clear as bell  
For we love our school so well

When the sun is shining bright  
And the birds are singing sweet  
We will sing our school song  
With a heart as true as gold  
And a voice as clear as bell  
For we love our school so well

RAYMOND L. GELLEIN, Trustee  
FLOYD STEVENS, President

JOSEPH R. FOLEY, Treasurer  
NORRIS A. HANKS, Superintendent

WILLIAM A. JOHNSON, Secretary  
MRS. CARL W. RICHERT, Trustee

During the period of service of the present members of the Board of Education many improvements have been made in physical facilities.

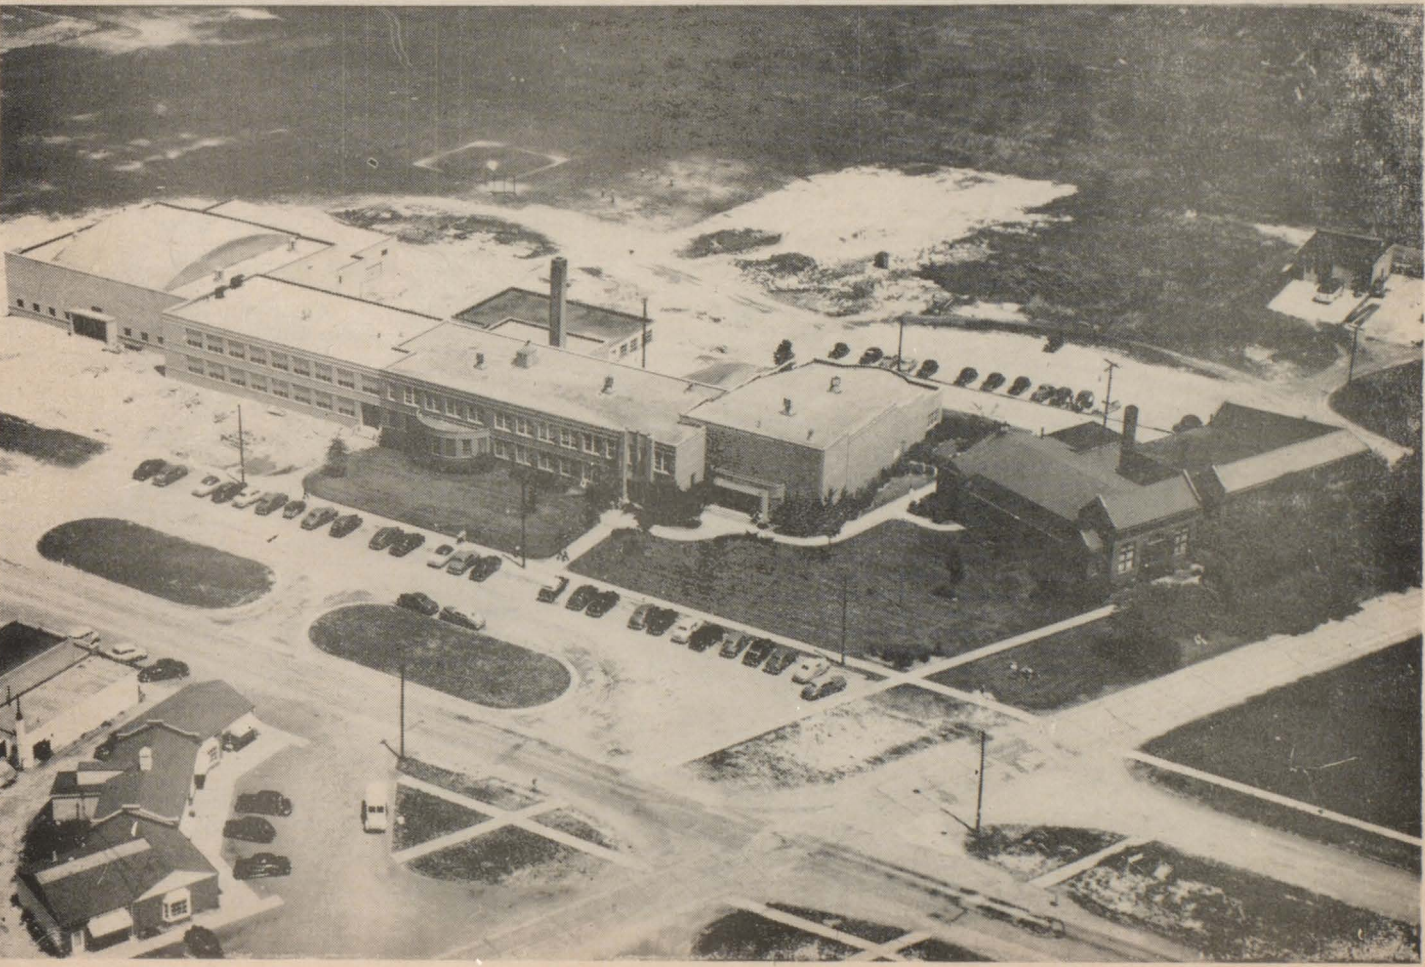

The new classroom unit of the high school has been completed, a stage built at the Morton elementary school and improvements made at the playgrounds of both Morton and Washington schools. Plans for the summer include a further development of the high school athletic field and completion of the landscaping of the grounds around the high school building.

In cooperation with the employees, teaching and non-teaching, work on a new code is continuing, which will define more clearly policies relating to employment, training, compensation, tenure, sick leave, and retirement.

The Board is represented and is participating in the Area Study of Education in St. Clair County. Recommendations of the County Education Committee are being studied to determine their effect upon the Marysville School System.

This has been a busy year for Board members, but a year challenging in its opportunities to serve the school and community. Present prospects of community growth and development will be continuing challenge to plan and provide, in cooperation with the citizens of the community, the facilities and the program necessary to adequately fill the needs of the increasing school population.

The School Council is an organization which makes possible student participation in school government. All students, through their school council, share in the government of the school. The purposes are to develop leadership and responsibility, to promote the best interests of the school, and to promote the general activities of the school.

Representatives are elected by their home room, each home room sending two students to represent it at council meetings. The president of each class is also a member, making thirty-one members in the Senior Division. The Marysville School Council is a member of the National Association of Student Councils.

One of the highlights of the year is participation in the state-wide Citizenship Conference in Ann Arbor. This year Marysville was represented by Bill Briggs, Nancy Cooper, Barbara Wagonjack, Phyllis Keuchen and Tom Jowett.

One of the biggest projects of the year is the publication of the yearbook. Council members raise money for its publication and sell the book when it is published. Many projects are behind the publication of the "Viking".

The Junior High division of the School Council is a very "dynamic" group. For several years, our council has participated in the management of the school as part of the demonerization of the school. The council prepares assembly programs; has a lost and found department; promotes good citizenship and manages the check room for parties, banquets, and basketball tournaments. The council works on all matters pertaining to the Junior High conditions and joins the Senior High division with all matters pertaining to the total school picture.

## 12TH GRADE

The Senior class this year has ninety-three students. The class officers are Jim Ellis, President; Bud Walker, Vice-President; Ruth Johnson, Secretary; and Barbara Hotoran, Treasurer. The Senior advisors are Miss Law, Mr. LaRue, Mr. Sims, and Mr. McCalmon.

The Seniors have been very busy this year making money for their senior trip. There was only one senior class party. It was held early in the year.

The money-making ventures that the seniors undertook this last year are pop, coffee, candy, and gum concessions at all football games; magazine sales in late September and early October.

They also put on a turkey dinner in late November which was very successful.

Before Christmas they sold Christmas cards and miscellaneous Christmas things.

The nice-looking pins that everyone was wearing around January were sold by the seniors.

Then of course, there was the senior play, "The Hoosier Schoolmaster", a rollicking comedy that was presented on March 27.

On May 16 the Senior Prom was given in the new gym. It was well attended and everyone seemed to have an enjoyable evening.

The annual Senior Spot-light was presented in April.

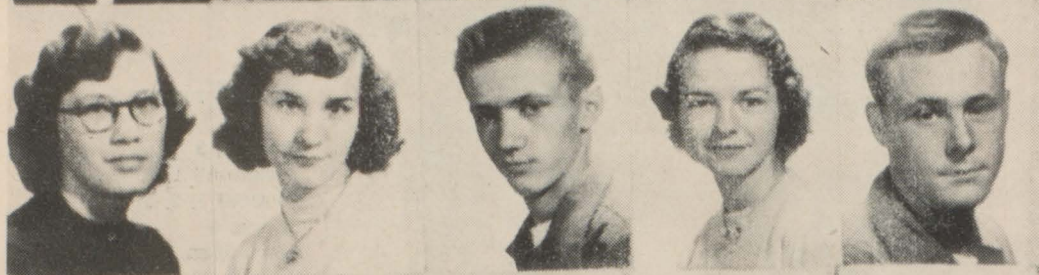

The Seniors went on their trip June 1. They went to Detroit on a bus, took a boat to Mackinac Island and then to Chicago, spent the day in Chicago, took a midnight cruise on Lake Michigan, and then took a train from Chicago back to Port Huron.

## 11TH GRADE

The Junior class this year is one of the school's largest classes with one hundred and seventeen students. The class is led by Lewis Bartow, President; Tom Stark, Vice-President; Charlotte Briggs, Secretary; and Audrey Ward, Treasurer. The Junior advisors are Mr. Simpson, Miss Mullen, Mr. Burghdorf, Mr. Philip, and Mr. Gundry.

The Juniors opened the school year with the first big dance, the annual J-Hop. It was held on January 23 with music provided by Dick Holth's orchestra. They had a large crowd and the dance was very successful.

Around Christmas time, the Juniors sold small memory books, appropriately titled "School Daze".

The Juniors also had the hot dogs, ice cream, and potato chips concessions during the football and basketball seasons.

"A High School Mystery", a real, suspense-filled play was presented by the Junior Class on Friday, November 21. The play was well delivered and everyone enjoyed it immensely.

The Juniors really cleaned up in the magazines sales held during February. They turned in \$2800 of subscriptions, over a thousand dollars more than their quota. The winning home room was given a party on March 20.

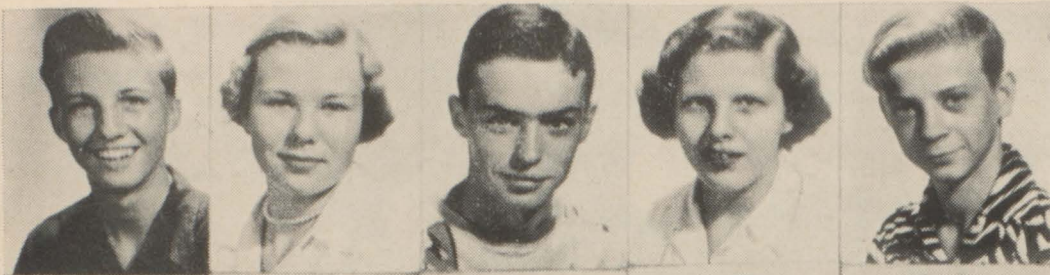

An all school dance was given on March 13. The theme was St. Patrick's Day.

The Juniors also put on the Athletic Banquet on April 21. Over three hundred athletes attended the dinner.

The Junior-Senior Banquet was put on by the Juniors for the Seniors on May 23 in the recreation room.

## 10TH GRADE

The Sophomore class has one hundred and thirty-seven students. The class of '55 is the largest, and one of the best-working, classes in the school. Its advisors are Mr. DelVero, Miss Vivian, Mrs. McKay, Mr. Williams, and Mr. Lange.

At the start of this year the "Sophs" elected as their officers: Vern Smith, President; Bill Clute, Vice-President; Pat Kidder, Secretary; and Jean VanNuck, Treasurer.

The class enjoyed their first party immensely. It was a roller skating party given on November 26 at the Lakeport Skating Arena.

The "Sophs" also put on a dance after the Richmond basketball game. On April 24, they put on an all-school dance.

Like all Senior High Classes the Sophomores are out to make the necessary money for their not too distant senior trip. This year they sold pencils with the basketball schedule on them and next year the Sophomore Class will have pencils with all three major sport schedules to sell to the students.

They also sold stationery, and ended up very successfully by doubling their quota.

The big day for the Sophomores was in February when they received their class rings. The ring emblem was the block M and the rings were from Balfour Company.

The Vikings got off to a flying start by smothering arch rival St. Stephens 20-0. After losing a close, hard fought battle to Algonac 14-6, the "Dream City" eleven came right back to whip New Baltimore and Holy Cross. The Vikings then ran out of gas, and had to be content with ending up in fifth place in the St. Clair County League.

Coach Connolly and Assistant Coach Lange did a fine job with the boys. With several lettermen returning and a strong Junior High team coming up, the team should climb higher in the St. Clair County League next year.

The Marysville Vikings had a rather rough season this year. Although their win and loss record was only 3-11, many of the games were close and were lost only after the Vikings had run out of steam.

Coach Lange tried many combinations, and early in the season brought up three sophomores they aided the team greatly, but they failed to give the necessary push to help better the team's average.

Next year the Vikings will have a fine bunch of second team boys, a good crop of Junior High hopefuls, and four returning varsity lettermen.

2nd row L to R—George Kunze, Manager, Russel Gerstenberger, George Horner, Dave Wilton, Duncan Carlisle, Lewis Bartow, Keith Marks, Coach Connolly.

The Little Vikings had a very successful season, ending up with ten wins and only six losses. They were slightly handicapped when three of the starting five were moved up to the varsity, however, Coach Connolly found that he had many able boys waiting to fill in.

The "B" Squad is actually a farm club for the Varsity. Next year the Varsity should be greatly improved by many of this year's "B" squad players.

## BASEBALL TEAM

FRONT—1st row L to R—Gerald Skuta, Bud Walker, Paul Richards, Carl Bellow, Stewart Ward, Manager;

2nd row L to R—Coach Connolly, Bob Nelson, Donald Simmons, Bruce Berra, Gordon Streiter.

Last year the Dream City Nine' ended up third in the St. Clair county league behind Richmond, Algonac, and New Baltimore. They posted wins over St. Stephens, Richmond, Holy Cross, and Marine City.

This year Coach Connolly has fourteen letter men back with him. Among them are Bud Walker, Carl Bellow, Jerry Skuta and Bob Nelson.

## TRACK

1st row L to R—Dan Dobson, Jack Force, Lance Dobson, Allan Doan, Dave Willton.

2nd row L to R—Coach Jorm Simpson, David Perkins, Tom Stark, Robert Storey, Jene Jakubiak.

Our track team last year almost pulled the upset of the year. At the county meet, they ran a close second and were beaten only in the last event.

Last year two school records were broken; Ron Green broke the shot put record and Bill Wagonjack the high jump.

This year we should have another good season with seven returning lettermen, including captain elect Jack Force, Gene Jakubiak, and Ronnie Richert.

The girls have developed acrobatic stunts for some of the yells and are now busy practicing more stunts for the coming season.

In addition to cheering at the games, the squad, with the assistance of the Junior High Band, held two pep meetings.

Our future varsity cheerleaders look promising.

# MARCHING BAND

## NATIONAL HONOR SOCIETY

The Marysville Chapter of the National Honor Society was organized in 1938. Members are chosen from students who have high scholastic averages in grades ten, eleven and twelve. They are rated by the faculty and the active members of the local chapter on the qualities of Character, Service, Leadership and Scholarship. Those who get a B rating are invited into the Society. Tenth graders are probationary members.

There are chapters of the National Honor Society all over the United States and membership in it is a very commendable attainment. Members may recognize each other by their pins.

The emblem is the keystone and flaming torch.

The motto is Noblesse Oblige which means that being a member obliges one to be and give his best.

The flower is the Marguerite or White Daisy which grows all over our country.

The colors are white and gold.

The members of the Library Service Club give one period of their school day in service to others.

Besides working at the charging desk (where they checked out 7,434 books the first semester) they assist in the preparation of library materials for use: by re-enforcing magazines, decorating bulletin boards, opening, and stamping books, typing and pasting book pockets, checking overdue books, and returning materials to the proper places. Their efforts make it possible for the library to run efficiently.

One of the outstanding services of the group is putting plastic covers over the jackets of new books. It is surprising how much more attractive and interesting these covers make the books.

Our club is a member of the Michigan Association of Student Librarians and sent delegates to the annual meeting in Kalamazoo this year. Members have also visited other libraries to see how they operate and to get new ideas for ours.

The Girls Athletic Association provides an opportunity for girls to participate in sports and recreational activities. The organization meets every Tuesday after school in the Junior High Gym. Girls in grades 9 through 12 are eligible to join.

## YOUTH COUNCIL RECREATION

The Youth Recreation Council, which came into existence in May of last year, has played an active part in our summer recreation program during the school year. The Senior High representatives were Jim Ellis, Chairman; Tom Stark, Ruth Johnson, Secretary; and Warren Sherman. Junior High members are Ron Perkins, Vice-Chairman; Wayne Carlisle, and Bill Johnson. Mr. Ronald Paige, recreation director, is the advisor for the group.

The council sponsored many juke-box dances, several dances with local bands, and the first annual "Tramp Stamp" to start the summer recreation program.

The purpose of the council is for the promotion, organization and administration of all youth activities that come under the jurisdiction of the Recreation Department.

The council has done a good job for its first year and we hope that it will become a regular part of our school and community.

## AMPLIFIER STAFF

The Amplifier Staff members have this year found a new home for themselves in the press room. There they have done most of the typing and composition of the school paper. Their "Press" is still the school mimeograph.

Isabelle Docherty completed the second semester as editor; after "Janie" Leinbach resigned her position at the end of the first semester. Larry Bodeis served as Sports Editor. Carl Bellow and Jackie Rutkauske were "printers". Jackie Rutkauske and Isabelle Docherty typed stencils. Bob Wright, Della McCann, Jackie Johnson and Harold McTaggart were reporters.

The Marysville maintenance staff, headed by superintendent of building and grounds, Russel Watson, is an essential part of the school system. Besides keeping the school clean, they aid the faculty and students in many ways.

Their many tasks include cleaning the rooms, operating the pool, repairing equipment, running errands, landscaping, heating, and many other jobs that are part of a day in school.

Marysville is fortunate to have these friendly and helpful men as part of our school. Our only way to show our gratitude to them is by our co-operation.
